

How Do I Find My Courses?

The screenshot shows the West Park Healthcare Centre website. The top navigation bar includes 'Course Catalogue', 'My Profile', 'My courses', and 'Contact Us'. A search bar is also present. The main content area features a banner for 'Solutions for the Canadian Healthcare Sector' with a background image of a healthcare worker. Below the banner, there are two main sections: a 'NAVIGATION' pane on the left and a 'Progress Report for' table on the right. The 'My courses' link in the navigation pane and the 'Progress Report for' table are highlighted with orange boxes and starburst icons. The table lists several courses with their durations, statuses, completion dates, and due dates.

Course	Duration	Status	Completed	Due Date
